SHARP SHORT DANCE 2017

ENTRIES NOW OPEN!

CALLING ALL YOUNG CHOREOGRAPHERS!

FORM Dance Projects invites young choreographers and dancers to participate in *Sharp Short Dance* to be held at Riverside Theatres, Parramatta this November! The season will present numerous dance works choreographed and performed by emerging young artists.

Sharp Short Dance provides an opportunity for aspiring choreographers and dancers aged 21 and under to not only display their talents, but to also inspire young performers to strive for their own artistic excellence and encourage active youth participation in all genres of dance.

Sharp Short Dance presents new and innovative dance works, up to five minutes in length, by the dance industry's upcoming choreographers and dancers. Each performance will go through one of three rounds of Heats, which will be judged nightly by a panel of industry professionals. The heat winners will present their works as part of the Final on Saturday 18 November 2017.

All participants in *Sharp Short Dance* are eligible for sponsored awards such as Outstanding Male Performer, Outstanding Female Performer, Most Innovative Choreography, Outstanding Solo, Duet and Ensemble Performance and the Audience Choice Award. Finalists are also eligible for industry placement opportunities with the Dream Dance Company, Sydney Dance Company's Pre-Professional Year, Legs on the Wall and Dance Makers Collective.

"Sharp Short Dance provided me with the perfect platform to explore and expand my choreographic endeavours. The diverse and always supportive nature of the event is something I truly admire."

-Sophie Carter, Winner, Most Innovative Choreography 2016.

- Works must be 5 minutes or less in length.
- The piece must be an original work choreographed and performed by persons aged 21 and under.
- Entrants can submit a work for consideration to each heat (i.e. can submit more than one work in total). Entrants must complete and submit an application for each work and are limited to one work per heat (a total of three works). Each submission requires its own application form and registration fee.
- All styles of dance will be considered, so long as the choreography is original and the participants meet the entry criteria. The entrant must indicate which heat category best reflects their choreography. If an entrant is unsure which category their work subscribes to, they may select multiple and the selection panel will then (if successful) allocate the work to a heat at their discretion.
- Works may contain movable props however; the performer/s is/are responsible for taking the props on and off stage during a performance. Transport and storage of props will not be provided by the venue.
- A CD or USB of appropriately cut music must be provided and given to the sound technician at least 30 minutes prior to the beginning of each performance and collected at the end of each performance.
- FORM Dance Projects will provide a stage manager and a lighting and sound operator.
- There will be a technical run on the day of the heat. Participants must come prepared in full costume with clear notes regarding lighting. If successful, entrants will be informed of their technical rehearsal time.
- Performances are in front of a live audience and a panel of judges. Results and prizes for each Heat and the Final will be announced directly after the performance.
- FORM Dance Projects and Riverside Theatres take no responsibility of any items that may be lost or stolen.
- **Applications are requested in DVD, Vimeo or Youtube format.** The video may be of the full work or a work-in-progress but the selection panel must get a clear understanding of the work's style and intent from the video.
- Any participants not able to submit a DVD, Vimeo or Youtube video for legitimate reasons may still be considered for entry into the festival. Such decisions are made at the discretion of the festival organisers.
